AIR QUALITY
PROGRAM

Dear Mr. Gustafson,
I am writing to express my sincere concern about the possibility of Hyperion Energy moving into Union County, South Dakota.
We chose to live in this area because it is a great place to raise a family with wide open spaces, clean air, water, and the ability to see South Dakota's natural beauty for miles and miles. I believe that Hyperion's presence in this area would undermine each of these. Economic prosperity has been cited as the saving grace of this proposal. However, the negatives far outweigh any positives that could result from Hyperion.

Thank you for your time.

Respectfully submitted,

Jerry Holbrook
