EPA standard's require BOD'S to be set-up within 48 hours of collection. **BOD's** are normally set-up on **WEDNESDAY**, **THURSDAY**, and **FRIDAY** except when it will interfere with a holiday. **BOD'S** are read out on **MONDAY**, **TUESDAY**, and **WEDNESDAY** respectively. This allows for the 5-day incubation period. To help you schedule your collections; I am sending you this calendar. An **"X"** through the date means a sample **SHOULD NOT BE COLLECTED**, because of a conflict with setting-up or reading-out of a BOD on a holiday. A **"/"** means I **will NOT set up a BOD**. If you have any questions, Please contact **ANGELA FROST AT 773-4975** or the Laboratory Main Desk **773-3368.**
