

Dear Sir's, We Are Responding
to the proposed Hyperion Oil
Refinery to Be Built near
Elk Point S.D. We Are
very Concerned for the people
of South Dakota if this Refinery
is Built, It will pollute our
Air Quality here in a most distressing
way, with 10 million pounds of
pollutants per year, that will cause
various Health problems for the
people of South Dakota And other
STATE'S, Something Needs to be
done in order to lessen these
pollutants in our Air, we
will do all we can to
Bring this to our Government's
Attention.

Sincerely - Conner-Jenny Jensen
