Dear Mr. Gustafson:

Please accept this letter as our city's formal comment requesting SD DENR to approve the Hyperion Energy Center air permit. I strongly believe that this project is a great opportunity for the State of South Dakota and our nation.

The Beresford City Council passed Resolution 2008-06 at its February 4, 2008 meeting encouraging cooperation between governing bodies in the progress of this important project. A copy of that resolution is attached to this letter.

The economic benefit the state, region, and nation will see from this project is tremendous. Thousands of new jobs, new tax revenue and tremendous growth as a result of this project will benefit all South Dakotans not to mention allowing South Dakota to take a leadership role in helping America to increase its energy security.

Thank you for your time and diligent attention to this matter.

Sincerely,
