

**IN THE MATTER OF THE
HYPERION PSD PERMIT
PROCESS**

**AFFIDAVIT OF MAILING NOTICE
TO INTERESTED PARTIES**

I, Kyrik Rombough, under oath, do swear, that on December 17, 2008, I emailed to Central Mail a letter to be merged with the list of interested parties that I provided. The interested parties submitted comments generally in favor of the draft Prevention of Significant Deterioration preconstruction air quality permit for the Hyperion's proposed oil refinery project. A copy of the email, letter and list of interested parties is attached to this affidavit. I further swear that Central Mail informed the Department of Environment and Natural Resources that the letters were mailed to the list of persons provided on December 19, 2008.

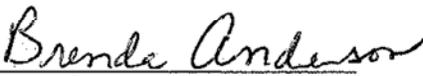

Kyrik Rombough

Subscribed and sworn to

before me this 6 day

of January, 2009.

Subject: Hyperion Project as Vicki Murray

Ms. Hirsch:

It is my understanding that you have talked to Vicki about a mail merge of over 2000 letters. I have attached two documents. The first document is the Word File with the Merge Description Links and an Excel File with all the addresses.

Before you start, please contact Vicki. I have asked Vicki to look over the letters before you actually print them.

Thank you

Kyrik

«Special Notation»«FNAME_LC» «LNAME_LC»
«TITLE_LC»
«OFFICE1_LC»
«ADDRESS_LC»
«CITY_LC», «STATE» «ZIP»

Dear «Salutation» «LNAME_LC»:

Thank you for submitting comments on the draft Prevention of Significant Deterioration (PSD) preconstruction air quality permit for Hyperion's proposed energy center. Hyperion proposes to construct and operate a petroleum refinery and power plant in Union County, South Dakota.

The Department of Environment and Natural Resources (DENR) received comments from approximately 3,000 individuals, small businesses, environmental groups, the U. S. Environmental Protection Agency, the U.S. National Park Service, Hyperion, and others. DENR has reviewed and responded to those comments in a 100 plus page document, and where appropriate, incorporated changes into the air quality permit based on those comments.

Hyperion has requested the Board of Minerals and Environment hold a "Contested Case Hearing" on the air quality permit. If you desire to participate in this "Contested Case Hearing", as a formal party to the proceedings, you must submit a Motion to Intervene or submit a Petition for a Contested Case and DENR must receive the Motion or Petition within 30 days of your receipt of this letter. If you choose not to be a formal party to the hearing, you can still attend as the hearing will be open to the public

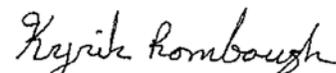

Because your comments were in support of Hyperion's proposed project, we have not enclosed a hard copy of DENR's response to comments, the proposed permit, Contested Case Procedures, and the Board of Minerals and Environment's Notice of "Contested Case Hearing" due to the volume of material. However, if you desire a copy, you may request DENR to send you a hard copy of all the documents by calling me at DENR at 605-773-3151, or you may review these documents on DENR's website at <http://www.state.sd.us/denr/hyperionaq.htm>. A third option is to stop in at one of the following two DENR addresses to go through a hard copy of the documents:

1. DENR's Geological Survey Program
Akeley-Lawrence Science Center, University of South Dakota
414 East Clark
Vermillion, SD 57069-2390

2. Department of Environment and Natural Resources
Division of Environmental Services
523 East Capitol, Joe Foss Building
Pierre, SD 57501

If you have any questions, please do not hesitate to give us a call at the phone number above. Again, I want to thank you for submitting comments and for your cooperation during the public review process.

Sincerely,

Kyrik Rombough
Natural Resources Engineering Director
