Dear Mr. Gustafson:

Thank you for submitting the 2016 South Dakota Annual Monitoring Network Plan (AMNP) dated July 13, 2016. Region 8 has reviewed the submitted AMNP and found that the requirements specified in 40 CFR Part 58.10, as well as the Clean Air Act section 105 grant commitment to conduct a review annually, have been met with the submission of this document.

Region 8 appreciates the effort South Dakota Department of Environment and Natural Resources (DENR) has put into this AMNP. Even though no immediate changes were proposed, DENR's commitment to maintaining, replacing, and upgrading equipment shows dedication to the operation of an efficient and successful monitoring program.

If you have any questions on this issue, please contact me at (303) 312-6416 or Ethan Brown, of my staff, at (303) 312-6403.

Sincerely,

A handwritten signature in black ink that reads "Carl Daly".
