RE: Comment on Powertech Large Scale Mine Permit Application

Staff Signature: _____ \s/

COMMENTS:

Mr. Towne called and said him and his wife are college educated and moved to the Hot Springs area. The own 80 acres in the Hot Springs area and enjoy the scenic beauty of the Black Hills. Mr. Towne said he wants to make a comment on Powertech's large scale mine permit application. Mr. Towne and his wife are opposed to the project due to the effects radiation would have on the scenic beauty of the Black Hills and water quality. I thanked Mr. Towne for this comment.
