RE: Update to Powertech Socioeconomic Study

Staff Signature: _____ \s/

COMMENTS:

Jack Frit called this afternoon to discuss the demographic update to Powertech's Socioeconomic Study that he briefly discussed with Mike Cepak and Eric Holm a couple of weeks ago. Powertech was looking at either submitting the updated demographic information as additional information or presenting it at the board hearing as part of expert testimony on the Socioeconomic Study. Mr. Fritz said Powertech wants to present it at the hearing and wanted to know if that was acceptable to us.

After consulting with the Attorney General's office, I called Jack back and told him that since we are in the discovery phase of the contested case hearing, it would be better to submit the demographic revisions as additional information so interveners are aware of the changes prior to the hearing. Mr. Fritz said he would relay the information to Powertech and submit the information. He wanted to know if Powertech could submit the information at least 20 days prior to the hearing as stated in ARSD 74:29:01:16. I told him that was fine.
