Ron and Max,

Please find attached two additional petitions from Larry Miller and Vernon Davis, both nominating the Terry Cemetery. I am expecting another petition from a Eric Jennings, who is also with the Black Hills Society of Pioneers. Depending when (or if) we receive the Jennings petition, the DENR determination may not be sent out until Wednesday or Thursday this week.

We are looking at March 17 Board hearing regarding the hearing on these petitions. As March 17 is past the 45-day period to hold a hearing under ARSD 74:29:10:13, we will ask the parties for an extension to hold the hearing on March 17. The March 17 date will work better for us and Roxanne Giedd.

If you have any questions about this matter, feel free to contact me. Also, let me know if the March 17 date will work for you.
