Describe Proposed Operations (Clearly State all Pertinent Details, and Give Pertinent Dates, Including Estimated Date of Starting any Proposed Work). Use additional page(s) if appropriate.
 On or about August 16, 2010, will attempt to establish oil/natural gas production at Gullickson prospect. Well will be drilled and completed to evaluate all the present members of Jurassic Sundance formation. Pits will be lined w/ 12mm liner. Contractor Taylor Drilling will provide pressure diverter in case GAS is encountered.

I hereby certify that the foregoing as to any work or operation performed is a true and correct report of such work or operation.
