NOTICE OF SURFACE WATER DISCHARGE
APPLICATION AND RECOMMENDATION

The South Dakota Department of Environment and Natural Resources (DENR) has received an application for the issuance of a Surface Water Discharge (SWD) permit from the following applicant:

APPLICANT NAME: **City of Parker**

PERMIT NUMBER: **SD0020940**

FACILITY LOCATION: **Located about one-half mile northeast of the city in the
Northeast ¼ of Section 8, Township 99 North, Range 53
West, in Turner County, South Dakota**

MAILING ADDRESS: **PO Box 265
Parker, SD 57053-0265**

The renewal of the Surface Water Discharge permit will allow the discharge of treated wastewater from the City of Parker's wastewater treatment facility. Any discharge from this facility will enter WEST FORK OF THE VERMILLION RIVER. WEST FORK OF THE VERMILLION RIVER has been assigned the following beneficial uses:

- (5) Warmwater semipermanent fish life propagation waters;
- (8) Limited contact recreation waters;
- (9) Fish and wildlife propagation, recreation, and stock watering waters; and
- (10) Irrigation waters.

Tentative determinations regarding the water quality limits for any discharge and other conditions have been made by DENR. The Surface Water Discharge permit specifies the quality of water that can be discharged and still protect the uses of the receiving water. The proposed discharge permit and supporting document are available from DENR at the address listed below.

The department mistakenly believed this permit was public noticed on February 9, 2012, and issued effective April 1, 2012. However, the public notice did not appear in the newspaper as planned. In accordance with the Administrative Rules of South Dakota, Chapter 74:50:02, any person desiring to comment on the Department's recommendation for the conditional issuance of this permit must submit written comments to the below address within the specified thirty (30) day comment period. Comments may be directed to the following address: South Dakota Department of Environment and Natural Resources, Division of Environmental Services, Surface Water Quality Program, Joe Foss Building, 523 East Capitol, Pierre, SD 57501-3181. Any person desiring a public hearing must file a petition which complies with the ARSD 74:50:02. If no objections are received within the specified 30-day period, the Secretary will issue final determinations within sixty days of the date of this notice.

Additional information may be obtained by calling Tina Piroutek, with DENR, at (605) 773-3351, or by writing to the address listed above.
