Application Cover Page (page 1)

Applicant. Name, mailing address, and phone number of the entity sponsoring the project.

Project Title/Description. Provide a one line title and a paragraph describing the project. Be specific, providing the feet or miles of pipe to be constructed, replaced or repaired; treatment process being utilized; gallon capacity of storage tanks; cubic yards of sediment to be removed; linear feet of shoreline to be stabilized; and so forth. Additionally, indicate whether a reserve fund has been established for the utility benefiting from the project.

Proposed Funding Package. Include the amount and type of anticipated funding, the amount of local funds being provided as match, including public or private direct contributions, loans, federal funds, and water development district grants. The total amount should equal the anticipated total project cost even if funding will be phased.

Applicant Certification. This section is to be read and dated by an official of the sponsoring entity who has been authorized to submit the application.
