RE: Petition to Nominate Powertech Mining Area on Preliminary List

Staff Signature: _____ \s/

COMMENTS:

I called Charmaine White Face and told her that the map submitted with her nominating petition did not match the legal location. She needed to submit a map that matched the legal location, similar to the map submitted by Powertech in its October 6, 2008 submittal. Ms. White Face said she would submit a corrected map.

I also told her that after discussions with the South Dakota Attorney General office, the Defenders of the Black Hills will need to be represented at the hearing on the petition by an attorney. I added that she could change the petition so that is submitted in Charmaine White Face's name instead of the Defenders of the Black Hills. If the petition was submitted in her name, she would not have to be represented by an attorney. Ms. White Face said she would probably change the name on the petition so it would be submitted by herself and the Defenders of the Black Hills.
