RE: Defenders of the Black Hills Nominating Petition

Staff Signature: _____ \s/

COMMENTS:

Ms. White Face called and said that the Fall River County Register of Deeds Office called and told her that they could not file the Defenders of the Black Hills Nominating Petition. She wanted to know what she had to do to have the county file the petition. I told her that persons filing nominating petitions do not need to send copies to the register of deeds office or the review agencies. Only mining companies that submit a Request for Determination of Special, Exceptional, Critical, or Unique Lands are required to send copies to the register of deeds and the review agencies. I told her there was no harm in sending the copies. She can call the Fall River Register of Deeds office and tell them to disregard the mailed copy of the petition.

I also told Ms. White Face that the hearing on her petition and the two other ones we received will be held in February. I told her that we will notify her of the time, date, and place of the hearing in the next three weeks or so.
