Subject: Correction - Legal Description - July 29, 2008 DENR Response Letter on 30-hole project

Mark and Richard,

We discovered a typo in our July 29, 2008 letter regarding our comment about the legal description. In item no. 1, second paragraph, the legal description we wrote the SW1/4 Section 30, when it should have been the SE1/4 Section 30. The legal description should be written this way:

SW1/4 Section 29, SE1/4 Section 30 and NW1/4 Section 32; T6S-R1E, Custer County
SW1/4 Section 2, NE1/4 Section 10, and NW1/4 SE1/4 and NE1/4 SW1/4 Section 11; T7S-R1E, Fall River County

We apologize for any inconvenience.
