 24th 10/1/08
NOTICE OF FILING URANIUM EXPLORATION PERMIT APPLICATION
 Notice is hereby given that the South Dakota Department of Environment and Natural Resources has received a permit application to conduct exploration for uranium from Powertech (USA), Inc. 575 DTC Parkway, Suite 140, Greenwood Village, Colorado 80111. Powertech (USA), Inc.'s resident agent is CT Corporation Systems, 319 Canton Street, Pierre, South Dakota 57501.

The exploration area is generally located approximately 13 miles northwest of Edgemont in Sections 29, 30, and 32, T6S-R1E, Carter County and sections 2, 10, and 11, T7S-R1E, Red River County.

The operation will consist of drilling 30 exploration and condemnation holes for uranium in the Inyan Kara Formation. Condemnation holes are necessary to ensure that planned surface facilities are not located over ore deposits. Each exploration hole will be approximately 300 feet to 400 feet in depth. The holes will be logged radiometrically for uranium and vanadium. Powertech will utilize the existing gravel roads for access to the exploration area. The operation will commence upon issuance of the permit.

The permit, when issued, only authorizes those exploratory activities identified in the permit application and does not authorize the commencement of uranium mining activities. If the company decides to proceed with uranium mining at a later date, a state mine permit application and additional public
