IN THE MATTER OF WATER	)	DENR'S
APPLICATION NO. 2730-2, UNITED	)	RESPONSE TO APPLICANT'S
ORDER OF SOUTH DAKOTA	)	MOTION IN LIMINE
	)	

Comes now counsel on behalf of the Chief Engineer and the Water Rights Program of the South Dakota Department of Environment and Natural Resources (hereinafter collectively referred to as DENR) in response to Applicant's Motion in Limine. While recognizing the need for some limitation as to the evidence admitted for consideration under the public interest factor set forth in SDCL § 46-2A-9, DENR does not believe a blanket motion in limine is appropriate. Rather, DENR would propose that objections be made at the time the evidence is offered.
