CALL TO ORDER AND ROLL CALL: Chairman Richard C. Sweetman called the meeting to order at 10:00 a.m. on September 23, 2013. He appointed Glenn Blumhardt as secretary, pro tem. Mr. Blumhardt noted that a quorum was present.

BOARD MEMBERS PRESENT: Richard Sweetman, Lee McCahren, Rex Hagg, Dennis Landguth, Glenn Blumhardt, Doyle Karpen, and Bob Morris.

BOARD MEMBERS ABSENT: Pete Bullene, Linda Hilde.

OTHERS PRESENT: See attached attendance sheets.

APPROVAL OF MINUTES FROM JULY 18, 2013, MEETING: Motion by Blumhardt, seconded by Karpen, to approve the minutes from the July 18, 2013, Board of Minerals and Environment meeting, as mailed. Motion carried.

MINING ISSUES: Prior to the meeting, the board received a table listing the department recommendations for release of liability and surety, transfers of liability, and releases of liability (attached).

Motion by Landguth, seconded by Blumhardt, to approve release of liability and surety, transfers of liability, and releases of liability, as listed on the first three pages of the table. Motion carried.

Acceptance of Financial Assurance Increase: Eric Holm presented an adjustment to the financial assurance amount for Wharf Resources. This financial assurance, also known as the “cyanide spill bond”, is required under SDCL 45-6B-20.1 and covers costs to the State for responding to and remediating accidental releases of cyanide and other leaching agents at the Wharf site. This financial assurance is in addition to Wharf Resources’ \$34.4 million reclamation bond and \$30.8 million post closure bond.

The department calculated a revised financial assurance in the amount of \$580,700, which is an increase of \$19,400 from the 2012 calculation. The department again used the Construction Cost Index to calculate the inflationary increase in the bond.

To cover the increase, Wharf is proposing to amend the irrevocable letter of credit that currently serves as financial assurance by increasing the amount to \$580,700.

The department recommended the board accept the amendment to Irrevocable Letter of Credit No. S18572/334184, Scotiabank, Ontario, Canada, (New York City branch) increasing the financial assurance amount by \$19,400 to the new amount of \$580,700.

Motion by McCahren, seconded by Karpen, to accept the amendment to Wharf Resources (USA), Inc.'s Irrevocable Letter of Credit No. S18572/334184, Scotiabank, Ontario, Canada, (New York City branch) increasing the financial assurance amount by \$19,400 to the new amount of \$580,700. Motion carried.
