Re: Application for a Large Scale Mine
Permit by Powertech

Dear Mr. Cepak,

I am requesting that a contested case be initiated in the above matter and that I be admitted as an intervenor in the above application.

I am concerned about this application because I am interested in water quality, land use, wildlife, health, and the economy in western South Dakota.

I oppose this application because I believe the proposed mine would harm public health, the economy, and the environment, including impacts to the Inyan Kara, Minnelusa, Madison, and Deadwood formations and the Cheyenne River. I also believe this is an inappropriate land use.

I oppose the proposed project and want the permit application to be denied.

Please keep me informed of all proceedings and documents related to this application.

THANK YOU

Sincerely, MARY L. Molloy - *Mary L. Molloy*
