MINERALS & MINING PROGRAM

X (A) I wish to participate as a full party in this proceeding by presenting testimony subject to cross examination, offering exhibits, cross examining other witnesses, making and defending objections, addressing legal argument, and having the option to appeal to the courts if desired. I understand that if I am appearing on my own behalf, I do not need to be represented by a lawyer, but that all corporations, partnerships, nonprofit associations, and other legal entities must have a lawyer represent them if they participate as a party.

_____ (B) I wish to offer my sworn testimony at the beginning of the contested case hearing. I understand that due to the large number of parties, I may be limited to 10-15 minutes. I understand my testimony will be subject to cross examination and I will not have all the rights nor obligations of a full party.

_____ (C) I wish to rely on the petition or any other comments I have already submitted to the Department. I do not wish to testify or participate as a full party in these proceedings.
