Dear Mr. Walsh:

Zenergy Operating Company, LLC is respectfully requesting to withdrawal the Permit to Inject Application we submitted to your office on July 23, 2014 due to lack of response and interest from the Bureau of Land Management. Without their approval we will not be able to complete this project. Zenergy would like to thank you for all of the time and effort you have put into this.

If you have any questions or need additional information, please let us know. Sean LiSooney can be reached at 918-488-6482.

Thank you for your consideration.

Sincerely,
