4)					

Describe Proposed Operations (Clearly State all Pertinent Details, and Give Pertinent Dates, Including Estimated Date of Starting any Proposed Work). Use additional page(s) if appropriate.
Zenergy proposes to drill a horizontal well to test the Red River B formation. This well is planned to be an openhole lateral, natural in the Red River interval. Drilling is planned to commence on January 1, 2009.

I hereby certify that the foregoing as to any work or operation performed is a true and correct report of such work or operation.
