

**DENR**  
SOUTH DAKOTA

## **UST 2021 Early Compliance Incentive Program**

### **ATTENTION: Underground Storage Tank Facility Owners**

The South Dakota Department of Environment and Natural Resources (DENR) is offering an Underground Storage Tank Early Compliance Incentive Program to encourage tank owners to upgrade their tank systems prior to the October 2021 deadline.

DENR will pay for the initial site-specific investigation and assessment of a suspected release resulting from testing or repairs performed to comply with the new tank regulations.

- ⇒ Program is available June 1, 2020 — June 30, 2021.
- ⇒ Limited to the first 200 qualifying facilities.
- ⇒ Tank owners must have a suspected release discovered while testing or upgrading to comply with the new tank regulations.
- ⇒ Tank owners must provide documentation that their system is in compliance with the new rules by June 30, 2021.
- ⇒ If the investigation confirms a release and additional remediation is necessary, the work will be completed through the typical DENR reimbursement process.

For more information or to obtain an application form please visit our website: [sd.gov/prcf](http://sd.gov/prcf) or contact Terry Florentz or John McVey at (605) 773-3296 or [DENRINTERNET@state.sd.us](mailto:DENRINTERNET@state.sd.us).
